Evolve®

Our Patented* Concealed Ponytail

The hidden ponytail design was created to offer the option of a ponytail opening for a secure high ponytail or to look like a regular cap when hair isn't worn up.

There is no unsightly gap or awkward opening when the hair is worn down - her favorite cap can be worn either way.

* Patent # 11,786,001 B2

Our patented* **MAKEUP RESISTANT SWEATBAND** is revolutionary for women's headwear.

Elude®

Our Patented* Makeup Resistant Sweatband

Elude® solves the problem that most women face with wearing a cap - their makeup staining the sweatband. With this sweatband, the makeup wipes right off so that the sweatband isn't left with a permanent stain.

It has been lab tested and approved for stain resistance, breathability and wicking, making it the ultimate performance in women's headwear.

We want to make the world a better place for the women we design for.

We have partnered with a local non-profit called Beautiful Lives, whose mission is to support vulnerable women and children in the community.

In addition to this, we donate a portion of our profit in October

to the Breast Cancer Awareness mission. We have also supported several hospitals in the US with donations for families in the hospital during the holidays. Giving is near and dear to us and is ingrained into who we are as a company.
