Why we've made a cap just for women

Women are over **half** the population and love baseball caps too. It's time they had one engineered especially for them.

- Perfectly sized for a woman's head
- Easy, snag-free closures
- Smaller, lightweight bills
- Beautiful trend-right colors and patterns

MAKEUP RESISTANT SWEATBAND *is revolutionary for women's headwear.*

Elude® solves the problem that most women face with wearing a cap - their makeup staining the sweatband. With this sweatband, the makeup wipes right off so that the sweatband isn't left with a permanent stain.

Lab Tested and Approved:

1. Stain Resistance
2. Breathability
3. Wicking

The hidden ponytail design was created to offer the option of a ponytail opening for a secure high ponytail or to look like a regular cap when hair isn't worn up.

There is no unsightly gap or awkward opening when the hair is worn down - her favorite cap can be worn either way.
